

Below is a list of members whose 2024 life certificates are still outstanding. Pensioners appearing on this list are therefore urged to submit their 2024 life certificates to avoid suspension of their pension payments in the March 2025 pensions payroll.

The Fund now accepts scanned life certificates that can be sent to our email address: nrzpension@nrzcpf.co.zw or to our WhatsApp number +263784066461. The affected pensioners will still be required to submit/post to the Fund their original life certificates.

We would like to kindly remind all pensioners on the need to submit their mobile phone numbers in order to ensure that there is efficient communication and access to timely updates regarding Fund issues. Members with outstanding contact numbers should contact the Fund and avail their mobile numbers at their earliest convenience.
