

# NATIONAL RAILWAYS OF ZIMBABWE CONTRIBUTORY PENSION FUND

## Biometric Consent Form

---

---

This consent form is designed to inform you about the collection, use, and storage of your biometric data. The National Railways of Zimbabwe Contributory Pension Fund will capture and use your biometric data for the purposes of life certification. The data may include, but is not limited to, fingerprints, facial recognition data, voice recognition, and iris scans.

The biometric data will solely be used to verify the identity and existence of pension beneficiaries in a secure, accurate, and efficient manner.

### Consent Statement

I....., hereby acknowledge that I have read and understood the Fund's Privacy Notice (attached). I, therefore, give my informed consent to NRZ Contributory Pension Fund's collection, use, and storage of my biometric data for the above stated purpose.
